ROADA

ROAD OPERATIONS AND DATA ANALYSIS

By DM&T SERVICES LTD. (SINCE 1976)

What's New for 2015

Winter Operations Report–WOR Sheets

- Review and manage both manual and electronic data into one report

ROADA 511

- Images, RWIS and "Where's my Plow"
- Location based alerts
- Smartphone APP
- Mobile RWIS data

Real Time Operations Dashboard

- Monitor route progress in tabular/map format
- MMS standards or custom performance standards
- Email alerts when non conformance issues are imminent

Roada Dashcam

- Trigger images based on operational status (plow up/down, spreader rate change)
- Supports 511 with images
- Distance, location and timed triggers
